

Thank you for your interest in providing a workshop at Casa Mannabliss. We value you and the work you are doing for the collective and are honored that you considered our venue for your workshop or gathering. Our workshop space is rented at either 40% of fees or by the hour, depending on type of gathering and length of time needed and typically must be booked 3 months in advance. Selections for workshops and gatherings are made based on teacher skills, the topic or type of event, and/or availability of time. Also know that timeslots available for workshops/gatherings are prioritized, going first for our teachers, teachers with a proven following, students who attend our community regularly and those whose offering we believe to be of significant value to our community. In order for us to make a determination as to whether your workshop or gathering is a fit for us, we ask that complete the application below and submit it to [gatherings@mannabliss.com](mailto:gatherings@mannabliss.com). Please allow up to 2 weeks to hear back from us. Sending tons of love your way!
